Upon reviewing our file, it has come to our attention that the above-identified application inadvertently claimed priority from an application filed more than twelve months before the subject application was filed, i.e. October 18, 2000. Accordingly, we enclose a revised Declaration for Utility Or Design Patent Application without the priority claim. Please replace Declaration on file with the enclosed Declaration. If any additional fees are required in connection with this request, please withdraw the funds from deposit account number 07-1750.

Respectfully Requested

Robert Graham
